THE FORMATION OF OVARIAN CANCER

COMPILED BY MAXIMA WOMENS HEALTH

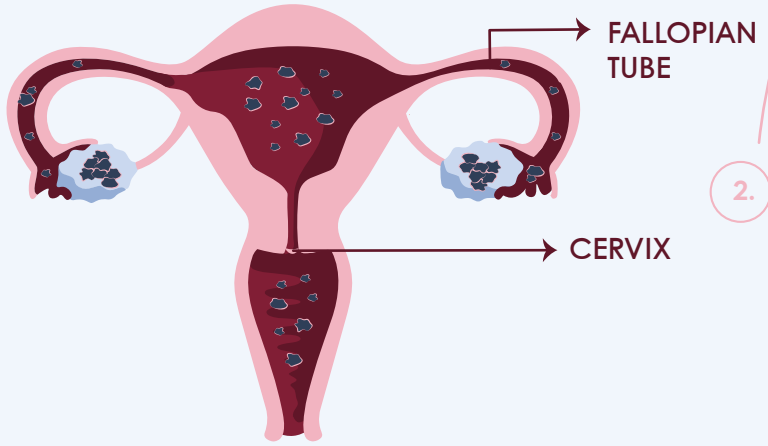

MAXIMA WOMEN'S HEALTH

STAGE 1
OVARIAN CANCER

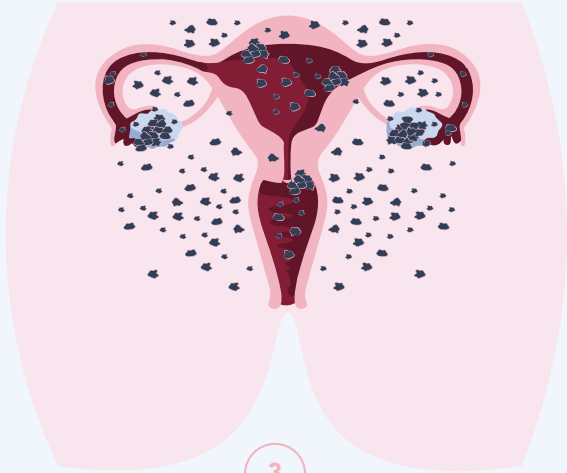

1.

STAGE 2
CANCER MIGRATES WITHIN PELVIS

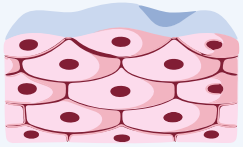

2.

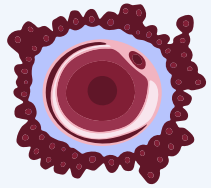

STAGE 3
CANCER SPREADS TO SURROUNDING ORGANS

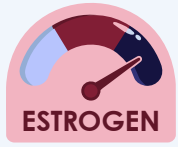

3.

**Epithelial Ovarian Cancer

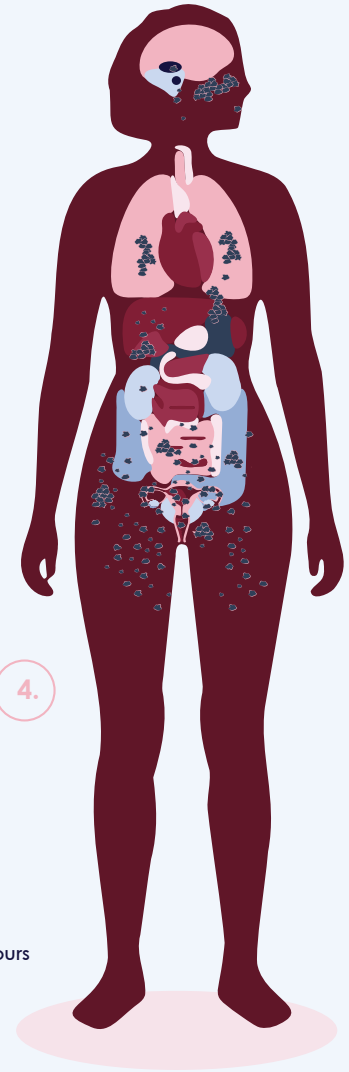

**Germ Cell Ovarian Tumours

**Sex Cord Stromal Tumours

4.

STAGE 4
CANCER MIGRATES BEYOND THE ABDOMEN

**Ovarian cancer is not one single disease, and neither is every ovarian mass cancerous.

Medical assessment helps determine what a finding means in the context of your symptoms, age and individual circumstances.

You do not need to become anxious about every change in your body. If something feels different and is not settling, speak to your healthcare provider.
